**2.** From fabric 2 cut:

8 x  $3\frac{7}{8}$ " x  $3\frac{7}{8}$ " cut in half diagonally once

## **MAKING UP THE CUSHION**

Lay out your fabric pieces for your block

Stitch a small triangle to the large triangle on one side. Then take the other triangle and stitch into place. Make 8 in total

Now sew two of the blocks together to make a square, do this to all the blocks to make four squares

Sew your four squares together for the centre of the cushion

Add the border sides and then top and bottom

If you would like to quilt your cushion now is the time

To complete the cushion, you can make an Envelope back
