MAKING UP THE BLOCKS

DESIGN 1

DESIGN 2

DESIGN 3

Lay out all of your fabric pieces for each of the blocks as shown in the above diagram

Start by sewing the small squares together. Join together in pairs to make rectangles, then join the rectangles together to make squares

Join the small triangles together to form larger triangles, then join this to the corresponding large triangle to make a square

Lay out your block pieces. Carefully join them together to form rows, then join the rows together to complete the block

For the runner, stitch three of the blocks together in a row. Add borders to the sides and then top and bottom

For the mats, add a strip to either side of each one

Quilt the runner and mats by hand or machine

Add binding made from backing fabric (fabric 6) using your chosen method
