DESIGN 3

Block 1

Lay out all the pieces required for the block

Start with your squares 3½" x 3½" of fabric 2 and fabric 3. With right sides together draw a diagonally line across the back and sew down this line

Before cutting your seam open to see you have it the right way

The stitch line will be the long line and the short line is the cutting line

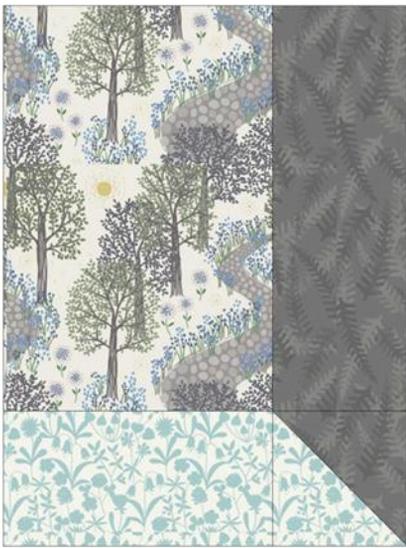

Sew the rectangle to the side panel; next sew your square to the rectangle

Sew this to the panel; sew ten in total

Block two will be made up as block one using fabrics 4 and 5

Again make ten in total

MAKING UP OF QUILT

Lay out all of the blocks as in main diagram

Number one row will have a strip of sashing in between each block

The next row will be a sashing row with a small square of fabric 7 in between the sashing strips. Keep going until you have all the rows sewn together

Sew all the rows together

Inner border sew sides, top and bottom

Outer border sew sides, top and bottom

QUILTING

Sandwich quilt top, wadding and backing together. Quilt by hand or machine as desired. Trim backing and wadding to size

BINDING

Use your favourite method from fabrics 7 to bind the quilt
