*Block B*

Work on the top left hand corner of the block. Sew the two squares together

Now sew the next strip to the top of this piece. Next take the left hand piece and sew it to your work, and sew the last one to the top

Now do the bottom right hand corner as you have sewn the last piece

Join in rows and then sew the rows together to make the block. You will sew 8 in total

Lay out your pieces for block B
