MAKING QUILT TOP

This is an easy quilt to make

Lay out your fabric pieces for each row as in the main diagram

Sew the squares together pressing the seams in the opposite way each time

This will help when you sew the rows together

When all 15 rows are sewn joint each of the rows together to complete the quilt top

QUILTING

Sandwich quilt top, wadding and backing together

Quilt by hand or machine as desired

Trim backing and wadding to size

BINDING

Use your favourite method from all of the fabrics to bind the quilt
