Christmas Quilt

This throw is made up from 5" x 5" squares, 6 fat $\frac{1}{4}$ will make a good size throw

9 squares across, by 9 squares down

Backing is a fleece fabric

Size of fleece about 2" bigger then the quilt top, all the way around when made

Sew in rows and then sew the rows together

Place quilt top onto the fleece and quilt by hand or machine

To bind the throw, take the fleece and turn onto the quilt top and sew into place
